

NEWSLETTER #2

- There are 3 attachments with this newsletter which were attached to the original email sent to OMA members (not viewable here). The weekly events draft schedule, the draft Season Track & Field programme, the Athletics Southland programme.
- The DCC plans to replace the track and all-weather surfaces at the Caledonian Ground this season, ideally before January 2027. Because the contractor is also completing several tracks across Australia and New Zealand, the DCC is working with them to confirm a start date. **Whenever the Caledonian Ground is unavailable, children's and senior interclub meets will be held at Memorial Park in Mosgiel.**
- The programme has been designed around the Caledonian Ground, but some scheduled events cannot be held at Memorial Park and will therefore be removed from the Athletic.net entry portal for those weeks, when known.
- All the best for those entered in next Saturday's ASB George Street Mile and/or the Marathon on Sunday.
- To enter in the events below you must be registered through a club or NZMA [NZMA Membership Fees – NZ Masters Athletics](#)
- Entries are open for the South Island Champs in Invercargill. Please be aware that you should wear an Otago singlet or tee shirt while competing. If you need one, please email me the size. [South Island Masters Track & Field Championships – NZ Masters Athletics](#)
- Entries are also open for the Oceania Masters Champs in Christchurch, for which you must wear a NZ uniform, not your regional one. [OMA2027 Christchurch -](#)
